this is the latest release in enduring word media's commentary series by david guzik david guzik's commentaries are noted for their clear complete and concise explanation of the bible pastors teachers class leaders home study groups and everyday christians all over the world have found this commentary series remarkably helpful

the david c cook bible lesson commentary niv and kjv formerly peloubet's and tarbell's contains fifty two weeks of bible lessons based on the international sunday school lessons issl series each week's lesson includes extensive bible commentary teaching suggestions and questions for adults and youth the dcc blc is ideal for teachers with a limited amount of time to study and prepare and enables them to guide their class through all the major bible themes and books in a systematic manner it's a one stop bible resource for any teacher of youth or adults with so much to offer it's no wonder teachers depend on it a full year's curriculum in one handy value priced reference takes classes

through all the major bible themes and books systematically for better bible learning offers solid trustworthy content for both pastors and teachers includes illuminating bible backgrounds and commentary daily home bible readings lessons aimed for adult and youth classes and much more ideal for those who have a limited amount of time to study and prepare a one stop bible resource that relates the truths of scripture to everyday life

the new american commentary series is an exceptionally acclaimed resource for ministers and bible students who want to understand and expound the scriptures notable features in this new hebrews volume by scholar david allen include commentary based on the new international version niv text printed in the body of the commentary sound scholarly methodology reflecting capable research in the original languages interpretation emphasizing the theological unity of each book and scripture as a whole readable and applicable exposition

verse by verse commentary on the book of genesis

most one volume bible commentaries focus on standard scholarly issues answering questions such as who wrote the book who was addressed and how is the book structured in contrast this is the first one volume commentary to emphasize theological questions what does each biblical book say about god how does the book describe god and portray god's actions and who is god in these biblical books this volume meets the need for a resource that puts the best of scholarship in conversation with the theological claims of the biblical text

you see the full character of christ through the four different portraits in matthew mark luke and john each of them is painting a different picture not a contradictory one but filling it out with a new aspect matthew paints the king of the jews that is his object we now suddenly realise why matthew is the first in the new testament even if it was not the first to be written the answer is that it is the nearest gospel to the old testament the most jewish one that picks up the threads of all that has gone before

rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned bible books readers will learn to see christ in all aspects of scripture and they will be encouraged by the devotional nature of each exposition

the letter of jude has a sharp cutting edge which exposes raw flesh that indeed is the real problem flesh in the church this little letter will cut through that and expose it and that is going to sting but we are sensitive and the real reason that we neglect a passage of scripture is that we do not like it the church can be destroyed from inside it is not external dangers it is internal dangers we need to be concerned about and this is jude's concern every christian must live dangerously this world is not occupied territory so it is the most dangerous thing to be part of the church

david guzik's verse by verse commentary on psalms 1 through 40

this is a complete revision of the gold medallion winning commentary series it is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint publisher description

highly acclaimed professor of literature david lyle jeffrey offers a theological reading of luke in this addition to the well received brazos theological commentary on the bible this commentary like each in the series is designed to serve the church providing a rich resource for preachers teachers students and study groups and demonstrate the continuing intellectual and practical viability of theological interpretation of the bible

john is a remarkable gospel utterly different from the other three it reflects the unique insights of the man who was closest to jesus while he was on earth and is full of concern that we should not just know about what jesus did but should also realize who he was it reflects too john s burden the believers in jesus should not be side tracked by erroneous teaching whether concerning jesus identity or the veracity of his claims he wanted believers to be absolutely sure that eyewitnesses jesus own words and his astonishing works all point to one who was truly god come in the flesh the living word the very glory of god among humanity john s collected evidence and proof all make the most compelling testimony to jesus right to demand our on going trust and obedience

although the gospel of matthew emphasizes jesus as the son of david no one has systematically investigated how 1 2 samuel influence matthew s portrayal of jesus as the son of david this work addresses that lacuna and shows how the sustained use of 1 2 samuel in matthew evokes the themes of mercy and righteousness as the hallmarks of a proper davidic shepherd the book s systematic intertextual and narrative approach offers another way to understand matthew s christology and portrayal of the kingdom of heaven it helps the reader appreciate the justice focused nature of jesus rule and its religious and political implications

a masterpiece of contemporary bible translation and commentary los angeles times book review best books of 1999 acclaimed for its masterful new translation and insightful commentary the david story is a fresh vivid rendition of one of the great works in western literature robert alter s brilliant translation gives us david the beautiful musical hero who slays goliath and through his struggles with saul advances to the kingship of israel but this david is also fully human an ambitious calculating man who navigates his life s course with a flawed moral vision the consequences for him his family and his nation are tragic and bloody historical personage and full blooded imagining david is the creation of a literary artist comparable to the shakespeare of the history plays

david a member of the platonic school in alexandria in the sixth century is credited with several commentaries on aristotle s logic those commentaries and their armenian translations form the subject of this book an introduction which discusses david and his place in the greek and the armenian traditions is followed by a series of studies of the relations between the greek texts and their armenian translations the aims are first to assess the value of the translations for the constitution of the original greek and secondly to consider the ways in which the armenian translations adapted the texts to suit their new readership more generally the book is concerned with the ways in which greek thought was exported abroad to armenia and to syria it is required reading for anyone who is interested in the circulation of ideas between east and west contributors include
