the normal christian church life is a record of messages given during conferences held in shanghai and hankow watchman nee spoke to his fellow workers on the principles in the new testament concerning the practical arrangement of the churches the ministry and the work in his speaking he honestly examined his own work

before the lord in the light of these principles provided adjustment and encouragement to his co workers and confirmed through personal testimony that the practice of the normal christian church life revealed in the new testament can be recovered

if we intend to practice the church life we must first see what the church is the church is the body of christ a group of people who have christ living in them and who have given up their own life to take christ as their life a group of believers who do not take christ as life may be genuine born again christians but their coming together will not be the real church life it will simply be an assembly of people who are in the self the experience of the body of christ the real church life comes into being practically when we realize that christ is our life and that we have been crucified with him on the cross when we renounce and deny our self and when we take christ as our life live by him and apply him in our daily life and walk when we as such persons come together in and with christ to share christ with one another we are the body of christ in a real way and are practicing the real church life

this book is intended as an aid to believers in developing a daily time of morning revival with the lord in his word at the same time it provides a limited review of the international training for elders and responsible ones held in anaheim california on april 4 6 2014 the general subject of the training was aspects of the christian life and church life seen in the new jerusalem through intimate contact with the lord in his word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the body of christ

the three previous issues of the ministry contained a series of messages entitled vision in god s economy comprising brother lee s fellowship with the elders and co workers in taipei in march 1986 following this enlightening and crucial word concerning the vision that matches the age brother lee began to speak concerning the present practice in the lord s recovery his speaking which we include in this issue was a continuation of his desperate fight begun in october 1984 to overturn the old traditions among the churches and bring in a new way the god ordained way to meet and to serve in this message our brother emphasizes the practice of the new way to preach the gospel build up the small groups and teach the truth while not forsaking the larger church meetings on the lord s day morning six other messages

in this issue are taken from the thanksgiving conference in november 1997 the general subject of this conference was the sevenfold intensified heavenly ministry of christ christ s work in the stage of his intensification is to intensify his organic salvation to produce the overcomers to build up the body of christ and to consummate the new jerusalem we must advance from a work in the stages of incarnation and inclusion to the work in the stage of intensification the lord s speaking in this conference through his ministry was instant and intensified showing us the way to become lovers of christ martyrs for christ and eaters of christ for the ultimate consummation of god s eternal economy the new jerusalem the lord is advancing in his move to propagate himself in eastern and western europe in this issue we include a report on the lord s move there providing some details of the work to distribute our publications the full time training in london an international meeting of brothers and upcoming international blending conferences in five european countries

this issue of the ministry of the word contains the six messages from the memorial day weekend conference held in seattle washington may 24 through 27 2019 the subject of this series of messages is the experience of christ the key statements in the following section embody the crucial truths and the main burden of the conference the announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by living stream ministry and a website link for information related to similar events in europe

witness lee speaks of the church in the practical expression of the church not only from the viewpoint of god s eternal purpose which is the church triumphant and universal but also from the viewpoint of the believers experience and enjoyment of the riches of christ which produces a local expression of the church an expression that displays the oneness of the body of christ and brings in god s commanded blessing psalm 133
