the present state of the university is a difficult issue to comprehend for anyone outside of the education system if we are to believe common government reports that changes in policy are somehow making life easier for university graduates we cannot help but believe that things are going right and are getting better in our universities ivory tower blues gives a decidedly different picture examining this optimistic attitude as it impacts upon professors students and administrators in charge of the education system ivory tower blues is a frank account of the contemporary university drawing on the authors own research and personal experiences as well as on input from students colleagues and administrators james e côté and anton l allahar offer an insider s account of the university system an accurate alternative view to that overwhelmingly presented to the general public throughout the authors argue that fewer and fewer students are experiencing their university education in ways expected by their parents and the public the majority of students are hampered by insufficient preparation at the secondary school level lack of personal motivation and disillusionment contrary to popular opinion there is no administrative or governmental procedure in place to maintain standards of education ivory tower blues is an in depth look at the crisis facing canadian and american universities the factors that are precipitating the situation and the long term impact this crisis will have on the quality of higher education

the second of two volumes this companion to every song that bob dylan ever wrote is not just opinionated commentary or literary interpretation it consists of facts first and foremost together these two volumes form the most comprehensive books available on dylan s words clinton heylin is the world s leading dylan biographer and expert and he has arranged the songs in a continually surprising chronology of when they were actually written rather than when they appeared on albums using newly discovered manuscripts anecdotal evidence and a seemingly limitless knowledge of every bob dylan live performance heylin reveals hundreds of facts about the songs here we learn about dylan s contributions to the traveling wilburys the women who inspired blood on the tracks and desire the sources dylan plagiarized for love and theft and modern times why he left blind willie mctell off of infidels and series of dreams off of oh mercy what broke the long dry spell he had in the 1990s and much more this is an essential purchase for every true bob dylan fan

colleges look much the same as they did five or ten years ago but a lot has changed behind the scenes while some mixture of study and play has always been part of college life an increasing number of schools have completely abandoned the idea that students need to learn or demonstrate that they ve learned financial pressures have made college administrations increasingly reluctant to flunk anyone out regardless of performance although the average length of time to get a degree is now five years and for many students it s six or more student evaluations of professors often linked to promotion and tenure decisions have made professors realize that applying tough standards or any standards only hurts their own career progress for many professors it s become easier and more rewarding to focus on giving entertaining lectures and to give everyone reasonably good grades the worst of these schools are the subprime colleges where performance standards and accountability have been completely abandoned students enjoy a five year party with minimal responsibilities while their parents pay the bills these schools investment decisions first class gyms and dining centers are all geared to attracting students that want to have a good time and their brochures all emphasize the fun aspects of the college experience there are very few pictures of students actually studying or in class and after graduation former students are frequently unable to find work in their chosen fields thanks to their school s reputation with employers and unable to afford the payments on sizeable student loans the subprime colleges which teach a significant percentage of college students are only the tip of the iceberg all colleges even the most elite have moved in this direction to some extent if you are a parent sending your child to college the five year party will give you critical information you need about what is really happening at your child s college and what you can do to ensure help your child gets a real education

education and its discontents teaching the humanities and the importance of a liberal education in the age of mass information by mark moss is an exploration of how the traditional educational environment particularly in the post secondary world is changing as a consequence of the influx of new technology students come to the classroom or lecture hall expecting to have their habits and tastes gleaned from the online world replicated in an educational environment faculty who do not adapt face enormous obstacles and faculty that do adapt run the risk of eroding the integrity of what they have been trained to teach students now have access to myriad of technologies that instead of supplementing the educational process have actually taken it over issues that run from plagiarism to the erosion of the humanities are now rampant concerns in the post secondary world behavior issues youtube videos cell phones and the incessant clicking of the computer keys are just a few of the technologies altering the educational landscape moss discusses that it is now not only how we learn but what we continue

to teach and how that enormously important legacy is protected education and its discontents teaching the humanities and the importance of a liberal education in the age of mass information by mark moss argues that education has changed and the supremacy of the book and the lecture is now open for debate what has been gained over the last five hundred years is now susceptible to the vagaries of technology which compel us to question their continuing relevance

what happens to the liberal arts and science education when universities attempt to sell it as a form of job training in lowering higher education a follow up to their provocative 2007 book ivory tower blues james e côté and anton l allahar explore the subverted idea of the university and the forces that have set adrift the mission of these institutions côté and allahar connect the corporatization of universities to a range of contentious issues within higher education from lowered standards and inflated grades to the overall decline of humanities social sciences and natural sciences instruction lowering higher education points to a fundamental disconnect between policymakers who may rarely set foot in contemporary classrooms and the teachers who must implement their educational policies which the authors argue are poorly informed on a daily basis côté and allahar expose stakeholder misconceptions surrounding the current culture of academic disengagement and supposed power of new technologies to motivate students while outlining what makes the status quo dysfunctional lowering higher education also offers recommendations that have the potential to reinvigorate liberal education
