the new edition of exploring psychology offers outstanding currency on the research practice and teaching of psychology myers and dewall inspire students with fascinating findings and applications effective new study tools and technologies and a compassionate and compelling storytelling voice their presentation is based on the same guiding principles behind the entire family of textbooks that have made david myers the world s bestselling introductory psychology author facilitate learning by teaching critical thinking and helping students at every step present psychology as a science emphasizing the process of inquiry and putting facts in the service of concepts make sure students come away with an

appreciation of psychology's big ideas and with a deeper respect for humanity what drives us distinguishes us unifies us this exploring psychology is the first to include myers handpicked co author nathan dewall shares myers belief that instilling a sense of curiosity and inquiry about psychological science is an effective way to help students navigate the content think critically and prepare for a lifetime of learning and living the extraordinary longtime myers ancillary author team is also here a group whose teamwork consistency and commitment again sets the industry standard for instructor and student supplements

a comprehensive and engaging introduction to psychology this is a textbook like no other always fresh always introducing new tools for teaching and learning and always attuned to how the field is shaped by new research the ninth edition is now more concise with 1200 new citations enhanced pedagogy and a revised chapter on consciousness

thus begins market leading author david myers discussion of developmental psychology in unit 9 of his new myers psychology for ap second edition with an undeniable gift for writing dr myers will lead your students on a guided tour of psychological science and poignant personal stories dr myers teaches illuminates and inspires four years ago we published this ground breaking text which is correlated directly to the ap course today we build on that innovation and proudly introduce the 2nd ap edition whether you are new to ap psychology or have many years under your belt this uniquely ap book program can help you achieve more

thus begins market leading author david myers discussion of developmental psychology in unit 9 of his new myers psychology for ap second edition with an undeniable gift for writing dr myers will lead your students on a guided tour of psychological science and poignant personal stories dr myers teaches illuminates and inspires four years ago we published this ground breaking text which is correlated directly to the ap course today we build on that innovation and proudly introduce the 2nd ap edition whether you are new to ap psychology or have many years under your belt this uniquely ap book program can help you achieve more

david myers new partnership with coauthor c nathan dewall matches two dedicated educators and scholars each passionate about teaching psychological science through writing and interactive media with this new edition of the 1 bestselling psychology myers and dewall take full advantage of what an integrated text media learning combination can do new features move students from reading the chapter to actively learning online how would you know puts students in the role of scientific researcher and includes tutorials on key research design principles assess your strengths self tests help students learn a little more about themselves and include tips about nurturing key strengths these and other innovations rest

on the same foundations that have always distinguished a new david myers edition exhaustive updating hundreds of new citations captivating writing and the merging of rigorous science with a broad human perspective that engages both the mind and heart

announcing a new myers dewall text created specifically for the fall 2019 ap course framework you are likely familiar with the name dr david g myers now he and his new co author nathan dewall bring you a book that will allow you to use college board s new personal progress checks and dashboard more effectively this updated edition includes 100 of the new course content in the new nine unit structure all teacher and student resources will also be updated to correlate to the new student edition this includes the te trfd tb strive and launchpad everything will publish in summer 2020 such that you can use this new program for fall 2020 classes if you re not familiar with myers dewall texts you are in for a treat drs myers and dewall share a passion for the teaching of psychological science through wit humor and the telling of poignant personal stories individually identified in the text by the use of each author s initials dm and nd through close collaboration these authors produce a unified voice that will teach illuminate and inspire your ap students

you know his name you trust his work now david myers brings you a textbook that speaks to all students regardless of their background or level of preparedness known as myers no assumptions text this book strives to make the vocabulary examples and presentations accessible to all students this briefer more colorful visually stirring text offers rich presentations of psychology s core concepts and research examined through the everyday lives of diverse people and like all david myers books the storyteller s voice is distinctive and for this edition of psychology in everyday life dr myers introduces something completely new never before found in a myers text a coauthor

this edition contains the following changes hundreds of new research citations representing the most exciting and important new discoveries in our field organizational changes based on changes in the field for example the heavily revised consciousness modules now follow the neuroscience modules and are titled consciousness and the two track mind to reflect the dual processing and cognitive neuroscience themes fine tuned writing with countless small and large improvements in the way concepts are presented supported by the input and creative ideas of hundreds of contributing instructors students and friends a sharp new art program that teaches more effectively continually improving coverage of cultural and gender diversity issues

each chapter is a gem of insight into the human experience cut and polished to perfection by the renowned psychologist david myers better than any book i can recall this book answers questions about why we think feel and act as we do but also makes us curious to learn more

angela duckworth a delightful tour of the wonders of our humanity from david g myers the award winning professor and author of psychology s bestselling textbook over the past three decades millions of students have learned about psychology from textbooks by david g myers to create these books and to satisfy his own endless curiosity about the human mind myers monitors the leading journals to discover the most extraordinary developments in psychological science how do we know ourselves is a compendium of the most wondrous verities that myers has found revealing thought provoking insights into our everyday lives his astute observations and sharp witted wisdom enable readers to think smarter and live happier myers s subjects range from why we so often fear the wrong things to how simply going for a walk with someone can increase rapport and empathy he reveals why we repeatedly mishear song lyrics and how the color of president obama s suits aided in his decision making myers also explores the powers and perils of our intuition explaining why anything can seem obvious once it happens these forty essays offer fresh insight into our sometimes bewildering but ever fascinating lives myers is engaging and intellectually provocative and he brings a wealth of knowledge from more than fifty years of teaching and writing about psychology to this lively and informative collection he inspires us to ponder timeless questions including what might be the most intriguing one of all how do we know ourselves

the new ninth edition merges the rigor of science with a broad human perspective to provide a state of the art introduction to psychology from vivid presentation and intense attention to detail to research based study aids and media learning tools the inviting authorial voice of david myers speaks to the life experiences of all students

david myers briefest introduction to psychology speaks to all students regardless of their background or level of preparedness with no assumptions made in the vocabulary examples or presentation students of all kinds are comfortable with myers manageable chapters which include careful connections to associated visuals comparative tables and research based pedagogy for this edition there is something completely new to a myers text david myers personally selected new coauthor nathan dewall s enthusiasm for teaching and writing about psychological science makes him uniquely suited to join the worlds bestselling psychology textbook author and with about 30 more pages of coverage this edition has become an even stronger and more complete introduction to the science of psychology for courses of all kinds what s in the launchpad

this new edition provides a state of the art introduction to psychology that merges the rigor of science with a broad human perspective all the myers hallmarks are here the vivid presentation intense attention to detail and currency in the field research based study aids and media learning tools and above all the inviting authorial voice of david myers that speaks

to the life experiences of all kinds of students dsm 5 updates available for fall 2014 classes this update version features new content from david myers in response to the release of the dsm 5 this new content is integrated into the text without changing pagination or the structure of the chapters a special dsm 5 supplement by the david myers is available for fall 2013 and spring and summer 2014 courses view the page referenced guide to the dsm 5 updates for exploring psychology

creating an exceptionally student friendly textbook in psychology isn't just about making the chapters shorter and pages more colorful it's about using that type of format to provide a clear portrait of psychological science concise but not oversimplified all while continually answering the recurring student question what does this have to do with me david myers brief introduction to psychology psychology in everyday life certainly does offer brief easily manageable chapters and a colorful image rich design both shaped by extensive research class testing and instructor student feedback but what makes it such an exceptional text is what flows through those chapters rich presentations of psychology's core concepts and field defining research examined in context of the everyday lives of all kinds of people around the world and communicated in the captivating storyteller's voice that is instantly recognizable as myers the new edition of psychology in everyday life offers an extraordinary amount of new research effective new inquiry based study tools and further design innovations all while maintaining its trademark brevity and clean layout and it is accompanied by an innovative media supplements of the same scope as all of david myers more comprehensive textbooks

from his experience as an author and teacher david myers has concluded that students digest material more easily when it is presented in smaller chunks ask students whether they would prefer a 600 page book to be organized as fifteen 40 page chapters or as forty 15 page chapters and their answers will approach a consensus students prefer shorter chapters and research on learning strategies supports this preference chunked material is more easily digested responding to student preference and learning research myers has created a modular version of his best selling brief introductory text exploring psychology exploring psychology fifth edition in modules reorganizes the 15 chapters of exploring psychology fifth edition into 40 short chapters or modules the modular organization offers instructors more freedom to pick and choose from a smorgasbord of topics instead of deciding whether to assign the whole chapter on consciousness instructors can simply assign the module on sleep and dreams the module on hypnosis and or the module on drugs and behavior given that each module stands alone and is not dependent upon the content found in other modules instructors can also choose to cover the modules in any order they please featuring the latest research and teaching innovations myers new text reflects the author's continuing drive to discover the most effective way to communicate psychology's major ideas to an

uninitiated audience note exploring psychology fifth edition in modules is now available saleable in two different saleable versions a a hardcover spiralbound text similar in structure to the spiralbound myers in modules b a perfectbound paperback text the features that have made david myers introductory psychology textbooks such phenomenal successes compelling narrative critical thinking theme superior design are all present in exploring psychology fifth edition in modules the way those hallmark features are presented is different this is not a brief version of psychology myers in modules sixth edition rather this new text is a modularized version of exploring psychology fifth edition therefore it enjoys all of the hallmark features of exploring psychology fifth edition sq3r pedagogical system terrific writing and briefer coverage of key topics it is in fact the same writing content as can be found in exploring psychology fifth edition just with a different organization

david myers bestselling psychology has reached a wider audience of students and instructors with each new edition myers and his team lead the field in being attuned to psychology's research and the needs of the instructors and students in the course today ten million student class testers and thousands of adopting instructors can attest to the quality of this project true to form this landmark new tenth edition is another vigorous deeply considered revision dsm 5 updates available for fall 2014 classes this update version features new content from david myers in response to the release of the dsm 5 this new content is integrated into the text without changing pagination or the structure of the chapters a special dsm 5 supplement by the david myers is available for fall 2013 and spring and summer 2014 courses view the page referenced guide to the dsm 5 updates for psychology watch our new videos from david myers here including our animation on the testing effect narrated by david myers

this version of the main text breaks down the chapters into shorter modules for more accessibility the smaller chunks allow students to better grasp and explore psychological concepts the modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations
