the sage handbook of diplomacy provides a major thematic overview of diplomacy and its study that is theoretically and historically informed and in sync with the current and future needs of diplomatic practice original contributions from a brilliant team of global experts are organised into four thematic sections section one diplomatic concepts theories section two diplomatic institutions section three diplomatic relations section four types of diplomatic engagement

diplomacy for the 21st century recommends steps that the department of state should embrace to take full advantage of the leading science and technology s t capabilities of the united states these capabilities provide the department with many opportunities to promote a variety of the interests of the united states and its allies in a rapidly changing world wherein s t are important drivers of economic development at home and abroad and help ensure international security this report assesses and makes recommendations concerning the changing environment for the conduct of diplomacy in the years ahead with a focus on the role of s t in the development and implementation of u s policies and programs according to this report prompt steps by the department s leadership are essential to ensure adequate comprehension of the importance of s t related developments throughout the world and to incorporate this understanding within the nation s foreign policy for the 21st century this report also urges the adoption by the department of a broader whole of society approach in carrying out its responsibilities at home and abroad extending beyond traditional interagency coordination and the narrow band of current external partners to include foundations universities research centers and other groups who are extending their international reach

the routledge handbook of strategic communication provides a comprehensive review of research in the strategic communication domain and offers educators and graduate level students a compilation of approaches to and studies of varying aspects of the field the

volume provides insights into ongoing discussions that build an emerging body of knowledge focusing on the metatheoretical philosophical and applied aspects of strategic communication the parts of the volume cover conceptual foundations institutional and organizational dimensions implementing strategic communication and domains of practice an international set of authors contributes to this volume illustrating the broad arena in which this work is taking place a timely volume surveying the current state of scholarship this handbook is essential reading for scholars in strategic communication at all levels of experience

this proceedings book addresses the main issues of contemporary political geography and international relations providing a platform for discussion and collaboration of experts in the fields of political geography geopolitics international relations etc participants from all over the world consider the controversies and challenges posed by globalization focusing in particular on the ideologies of globalization and regionalism migration crises prevention of ethnic conflicts and measures to promote sustainable development the content of the book may be interesting to expert community academics and popular audience

this comprehensive handbook offers an extensive overview of current knowledge of corporate communication from a digital perspective it provides a state of the art view of the ubiquitous impact both positive and negative of digital technologies and digitalisation processes on corporate communication

a brilliant sweeping history of diplomacy that includes personal stories from the noted former secretary of state including his stunning reopening of relations with china the seminal work on foreign policy and the art of diplomacy moving from a sweeping overview of history to blow by blow accounts of his negotiations with world leaders henry kissinger describes how the art of diplomacy has created the world in which we live and how america s approach to foreign affairs has always differed vastly from that of other nations brilliant controversial and profoundly incisive diplomacy stands as the culmination

of a lifetime of diplomatic service and scholarship it is vital reading for anyone concerned with the forces that have shaped our world today and will impact upon it tomorrow

essence of diplomacy explores the essential timeless features of diplomacy drawing on the historical record of over three millennia in their effort at making international relations ir theory relevant to diplomacy and diplomacy relevant to ir theory the authors identify three essential dimensions of diplomacy communication representation and the reproduction of international society

at a time when diplomatic practices and the demands imposed on diplomats are changing quite radically and many foreign ministries feel they are being left behind there is a need to understand the various forces that are affecting the profession diplomacy remains a salient activity in today s world in which the basic authoritative actor is still the state at the same time in some respects the practice of diplomacy is undergoing significant even radical changes to the context tools actors and domain of the trade these changes spring from the changing nature of the state the changing nature of the world order and the interplay between them one way of describing this is to say that we are seeing increased interaction between two forms of diplomacy club diplomacy and network diplomacy the former is based on a small number of players a highly hierarchical structure based largely on written communication and on low transparency the latter is based on a much larger number of players particularly of civil society a flatter structure a more significant oral component and greater transparency the oxford handbook of modern diplomacy is an authoritative reference tool for those studying and practicing modern diplomacy it provides an up to date compendium of the latest developments in the field written by practitioners and scholars the handbook describes the elements of constancy and continuity and the changes that are affecting diplomacy the handbook goes further and gives insight to where the profession is headed in the future co edited by three distinguished academics and former practitioners the handbook provides comprehensive analysis and description of the state of diplomacy in the 21st century and is an essential

resource for diplomats practitioners and academics

the first book focused on diplomacy from a psychological perspective this work features 12 top diplomats and psychologists examining issues and approaches factors considered include the implicit and explicit ground rules for the interaction of diplomats and their assumptions about their own roles and those of their counterparts the book explores the vital question do diplomats meet to work out agreements and solutions for the common benefit of humanity or is it the responsibility of a diplomat to seek advantage for his or her own nation at the expense of others the topics include ethnic rivalry water resources and financial issues in some cases in this text the views of psychologists and diplomats are consistent but there is a gap between the two disciplines psychologists tend to be more idealistic egalitarian and theory based while the diplomats most often focus on the practical realities of dealing with their counterparts and issues where opposing nations seek divergent outcomes the actual implementation of diplomacy and the psychology of diplomacy takes place not at the global or macro levels but instead at the one on one micro level this volume will appeal to students and scholars in students scholars and practitioners in psychology international relations peace studies and political science

seminar paper from the year 2021 in the subject law european and international law intellectual properties grade 1 university of vienna language english abstract this seminar paper set out to assess the meaning of aggression in the context of the un charter and the overlapping prohibition of the use of inter state force in international relation it is hoped that this research will contribute to a deeper understanding of the impact and legal consequences of the notion of aggression the united nations general assembly s consensus definition of aggression annexed to general assembly resolution 3314 on 14 december 1974 is at the heart of our present understanding of the concept of aggression within the united nation charter and manifests a legal standard for distinguishing legitimate from illegitimate action 1 in international relations but since its adoption the generic definition of aggression has received considerable critical attention because of its

ambiguities inconsistencies openness and conflicting interpretations from this the question arises if the long lasting procedure of defining aggression was useless as the consensus definition has not only not been fully integrated into the international legal system but also fails to deter future aggressors in addition much uncertainty exists about the conjunction between the consensus definition and the prohibition of the use of inter state force

examines the national need for assistance and quick response to military personnel from civilian resources for stabilization and reconstruction operations concludes with the efforts to build a civilian response capacity for complex operations are incomplete and require further attention

the trilateral commission was formed in 1973 by private citizens of europe japan and north america to foster closer cooperation among these three democratic industrialized regions on common problems it seeks to improve public understanding of such problems to support proposals for handling them jointly and to nurture habits and practices of working together the trilateral countries are nations in europe north america and pacific asia that are both democratic and have market economies they include the member and candidate member nations of the european union the three nations of north america japan south korea the philippines malaysia indonesia singapore thailand australia and new zealand book jacket

in this highly original poststructural feminist critique the author maps the discursive terrains of institutions both ngos and the un which formulate and implement resolutions and guides of practice that affect gender issues in the context of international policy practices drawing together theoretical work on discourses of gender violence and international security sexualized violence in war gender and peace processes and the domestic international dichotomy with her own rigorous empirical investigation the author develops a compelling discourse theoretical analysis that promises to have far

reaching impact in both academic and policy environments

proponents of american public diplomacy sometimes find it difficult to be taken seriously everyone says nice things about relying less on military force and more on soft power but it has been hard to break away from the longtime conventional wisdom that america owes its place in the world primarily to its muscle today however policy makers are recognizing that merely being a superpower whatever that means now does not ensure security or prosperity in a globalized society toward a new public diplomacy explains public diplomacy and makes the case for why it will be the crucial element in the much needed reinvention of american foreign policy

why does america consistently receive such low ratings in opinion polls around the world the answer as pilon explains lies not just in america s overtly forceful actions but in the construction and presentation of its self image scholars and policymakers alike will find why america is such a hard sell both a penetrating analysis of america s current efforts in public diplomacy and a prescription for delivering a more appealing self portrait to the world
