contains explained answers to questions like those that appear on the compass math placement test covering numerical skills pre algebra algebra college algebra geometry and trigonometry

the purpose of this study was to improve the mean scores on the compass college placement test after guiding students through a powerpoint presentation referred to as compass orientation scores obtained from college placement tests indicated a large number of entering college students were not prepared for college level classes during the 2006 2007 academic year 1 427 compass placement tests were administered to students enrolling in the big sandy community and technical college bsctc of that number over 70 produced scores at or below the level requiring developmental education data showed that only 28 of the students taking the compass placement tests required no developmental course work and could enter college level general education classes and receive college credit this study proposed that a short orientation immediately preceding the compass placement test would increase compass placement test scores findings from the study showed that a 5 minute pre test orientation did not significantly improve the mean test scores in reading writing or pre algebra on the compass placement

tests the study showed that algebra scores had a significantly improved mean score on the exam after intervention with the compass orientation tutorial powerpoint presentation recommendations from this study suggest that orientations and workshops should be mandatory for all college applicants online web sources should contain materials and web links for compass study questions compass site addresses and college pre test workshops and orientation dates stakeholders such as local advisory committees community businesses and high schools should be involved with college application requirements how underprepared college students impact the available workforce pool and the local economy should be discussed and these businesses should be enlisted to suggest avenues for improving testing outcomes and college success

get a good education without massive debt and enter a field that s actually hiring in coming years millions of great jobs will be opening up in growth areas like advanced manufacturing biotechnology health care information technology and sustainable energy these jobs can pay as well as or much better than the average income for four year college graduates they generally offer high levels of day to day satisfaction and the path to all of them begins in the community colleges in the community college career track tom snyder gives young people and their parents as well as mid life career changers a practical inspiring guide to taking that path and completing it successfully the old model of a bachelor s degree leading to a good job and career has broken down for large numbers of young people many of whom graduate college only to work in a career that doesn t require a degree meanwhile millions of productive american white collar and blue collar workers have been laid off and need retraining for second careers this book helps you find a new way forward offers insights on how to save money over a lifetime through an affordable college education that provides high paying jobs author tom snyder is the president of ivy tech community college indiana s statewide community college system and the largest singly accredited community college system in the country author tom snyder has confronted the education jobs mismatch from both sides first as a highly successful business executive and now as an award winning educator follow his efficient affordable and rewarding path to a great career and a satisfying life
