in the urgency to respond to the challenges posed by diversity in contemporary societies the discussion of normative foundations is often overlooked this book takes that important first step and offers new ways of thinking about diversity its contribution to an ongoing dialogue in this field lies in the construction of a normative framework which endeavours to better understand the challenges of justice in diverse societies by applying this normative framework to specific and broader examples of injustices in the spheres of religion culture race ethnicity gender and nationality the book demonstrates how constitutional pluralist discourses can contribute both to new and legal responses to diversity the book will be of interest to legal professionals policy makers law students and scholars concerned with exploring diversity in the 21st century

report on a survey based on questionnaires and interviews of allegations of discrimination in the administration of justice in the usa with particular reference to the denial of equal protection to mexican americans in 5 south western states covers the language problem harsh treatment of mexican offenders incl in respect of youth charged with juvenile delinquency police brutality etc and includes recommendations statistical tables
